

Franklin PUD
Journeyman Meterman*
\$36.17 per hour + full benefit package

The position is responsible for ordering, testing, trouble-shooting, installing, performing maintenance and repairing electric utility meters. The position will be part of a 3 to 4-person Meter Shop, and will receive guidance and daily work assignments from the Shop Foreman. Supervision is provided by the Director of Operations. For a detailed description of the job duties involved, see the job description for Meterman, posted with this ad.

The successful applicant will have a high school diploma or GED, have successfully completed an IBEW-recognized apprenticeship program, and achieved Journeyman status as a Meterman. Two years of journey-level work experience, preferably in an electric utility environment, is preferred.

To Apply

The Franklin PUD application form is available on line or can be requested by contacting Human Resources, at 509-546-5948. Return your completed application, along with apprentice program documents and journeyman credentials as follows:
